Harsh Sagathia
Frontend Web Developer

harsh26sagathia@gmail.com | 9967046311
Mumbai,Maharashtra,India

Third-year Bachelor of Computer Applications (BCA) student (graduating August 2026) with a strong foundation in HTML, CSS, and JavaScript, currently expanding skills in React. Built interactive projects including a feature-rich counter app and a random user generator using external APIs. Detail-oriented, familiar with basic Git workflows, and eager to learn and explore new technologies. Seeking a front-end development internship to apply skills, gain industry experience, and contribute to real-world projects.
